

made sense, I would point out also that President Obama chaired for a time and sat on the board for a longer time of the Woods Foundation in Chicago, which distributed funds to community organizing groups and directed funds to ACORN. As chairing the Woods Foundation, he sent money to ACORN. He also sat on the board of the Chicago Annenberg Challenge. This is a liberal education initiative, the brainchild of the unrepentant terrorist William Ayers. William Ayers recruited President Obama, at that time State Senator Obama, to sit on the board of the Chicago Annenberg Challenge, which what did they do? Raised money and distributed it to places including ACORN.

So I think I have given you enough threads, Madam Speaker, to understand that President Obama is tied in with ACORN, part and parcel. He's been their attorney. He's been an employee under the Project Vote. He's hired them and written them a check out of his campaign for over \$800,000, sat on the board of the Woods Foundation and the Chicago Annenberg Challenge. Both of them sent other money to ACORN. William Ayers, the unrepentant terrorist, was the founder of the Chicago Annenberg Challenge. And by these documents here, Madam Speaker, ACORN is working on the census and at a minimum providing temporary employees to work on the census to count the people. And we know what's happened to our election process. It's been corrupted. And, by the way, there are news reports of fraudulent votes and prosecutions on fraudulent votes and people that voted multiple times that were enabled by the registrations of ACORN. Some of that, Madam Speaker, is in the news today.

So I revere this election process, and I would rather lose elections than I would lose the integrity of the election process. And I'm happy enough to accept the results of a legitimate census no matter what it is. If it draws a district out of Iowa, I will lament that. I want to have the most representation possible from Iowa. But we have got to have a real count and we have got to deal with integrity. And when we have corrupt organizations that have all the trappings of a criminal enterprise, this Congress should shut off funding to that criminal enterprise.

But, instead, we don't get a vote and we don't get a debate because the rules are unprecedentedly changed and corrupted up there on the third floor in the Rules Committee where nobody goes, and if many did, they couldn't get in. We need cameras there. We need the press there, and we need open rules here on the floor. And we need people that are willing to engage in this debate and take come whatever may. If you believe in yourself, stand up and say so. I will be happy to yield to you. But I see it never happens. You sit on your hands, and you accept this power that you happen to have right now.

But the American people are going to take it back, and they are going to give it to the people that they trust.
